Review of Europe PMC plus submission statement

Submission Statement

I hereby submit an electronic version of my final manuscript that is the result of research supported, in whole or in part, by the Europe PubMed Central Funders Group.

This manuscript has been accepted for publication in **Journal of neuroscience methods** and includes all modifications resulting from the peer review process. The manuscript contains confidential information and I request that it not be disclosed prior to the time indicated below.

I request that this manuscript be publicly accessible through Europe PubMed Central immediately after the publisher's official date of final publication and I consent to the terms of the agreement. If I do not agree to this action.

[Change Release Date](#)

You may disagree the
statement here. The
Helpdesk may contact you
to offer assistance.

Otherwise agree
the statement to
proceed.

You are done for this stage.

Review Status

Role	Submitter	Approval	Date
Reviewing Author	C Hawkins	Yes	2012-10-11 15:01:10

grant information

Principal Investigator	Grant #	
D Sewell	CSO_CZG/2/558	An investigation of the effects of a controlled trial on women at risk of developing a controlled trial.

The manuscript will now be converted into its web version. An email notification will be sent within two weeks to the reviewer for web approval.

[What's next?](#)

The PDF Receipt has received final approval from the Reviewing Author.

At this time, **you are done.**

- Europe PMC plus will now send the manuscript to be converted into its web version.
- You will be notified by e-mail when the Web Proof is ready for you to review.
- Once you have approved your manuscript's Web Proof, it will be loaded into Europe PubMed Central following the specified delay period (if any).
