

Once your submission has been converted to the web-ready version, an email alert will be sent:

Dear D Sewell:

The web version of your Europe PMC plus manuscript #8 "Resisting Weakness of the Will" is now ready for your review.

Please proceed to the Europe PMC plus web site: <https://test.plus.europepmc.org> to approve the web version of your manuscript. This is necessary to complete your manuscript submission to Europe PubMed Central (Europe PMC).

You will be able to (1) approve the manuscript for release to Europe PubMed Central or (2) request that corrections be made to the article. Please note that only errors or omissions that impact the scientific accuracy of your article are eligible for correction.

Once approved, your manuscript will be made available in Europe PubMed Central 6 months after the final publication of the article. You will be notified when your article is freely available in Europe PubMed Central.

Yours sincerely,
Europe PMC Helpdesk
